Happy New Year!

Brush away old heartaches. Learn from our mistakes.
Another year is finally over. A new dawn awakes.

Let the old year out. Welcome the new one in.
Bury the bad things of the past As a new year now begins.

Make your New Year wishes. As simple as you can.
Pray for peace and love, Not for wealth or fame.

Pray for health and happiness. Pray for your fellow man.
Pray for all the ones you love. Pray for those who've lost their way.

As the midnight hour chimes, We leave the old and embrace the new.
I wish the things you wish for yourself, And may God's love stay with
you.

Much love and thanks to Dave Phaneuf and son Logan for an absolutely wonderful and awesome job putting in lights for our parking lot!

Another shout out of love and appreciation to Aaron Gerow for 3D printing the symbols taken from the front of our songbook and brought to life and to Rev Heidi Phaneuf for painting and putting them in our library!
