We are an Inter-faith organization, and we honor the truth in all religions. We accept people of all faiths and invite everyone to join us in our spiritual journeys. It doesn't matter by what name you call your God or Goddess; it's what's in your heart that counts. Your own individual path to spiritual growth is always accepted in this church without judgment as long as you harm no one. We believe in the Divinity of each person and the sacredness of nature.
