

First Metaphysical Church
March 2024 Newsletter

Our little church converted into an
adorable bird house.
Thanks to our member, Aaron Gerow.
It resides in the fairy garden.

**How the Easter bunny and colorful eggs originated
from ancient spring traditions**

Easter brings together an unlikely cadre of traditions: church, bunnies and eggs.

What may seem like an odd trio, however, is actually tied together by the universal themes of spring and life renewed.

While Easter is a time when Christians celebrate the resurrection of Christ, a few aspects of the holiday were adopted from ancient pagan rituals that celebrated the annual resurrection of life during the spring.

Facebook: First Metaphysical Church

We are an Inter-faith organization, and we honor the truth in all religions. We accept people of all faiths and invite everyone to join us in our spiritual journeys. It doesn't matter by what name you call your God or Goddess; it's what's in your heart that counts. Your own individual path to spiritual growth is always accepted in this church without judgment as long as you harm no one. We believe in the Divinity of each person and the sacredness of nature.
